

Canaan Savings Bank

25 Main Street
Canaan, Maine 04924
(207) 474-0111

Our team here at Canaan Savings Bank would like to extend a warm welcome to you and your family, and invite you to come in and say hello. A little bit about us...

Canaan Savings Bank opened its doors in 1975 with a small staff devoted to personalization and courtesy to our guests to gain your confidence and ensure your satisfaction. Extended hours on Tuesdays and Thursdays make us unique, so you don't have to rush to get here. We open our doors for you at 7:30 a.m., and close at 7:00 p.m. on these days.

We offer several different checking and savings accounts with automatic transfer and online banking for your convenience. Should you need financial guidance, financial advisors are on staff full-time just for you. There are two ATM machines open 24 hours for your convenience, one inside the lobby, and one drive-up as well, and we never charge you for 'excessive use' of your card like many of our competitors.

All of our associates can help you with any banking needs you may have, and will happily answer all of your questions to help you choose which options are best for you. Stop in soon and say hello, feel free to speak with us and take some literature while you are here to assist you in your decision.

We look forward to taking care of you, and your financial security.

Sincerely,

Gloria LaCoursiere
Bank Manager
